[Signs of Last Day](#)

LAST DAY MEANS LAST AGE

The term 'Last Day' in reality stands for the 'Last Age', or the age which would culminate in the end of the world.

So much so then, for the spurious claims of the one-eyed Judeo-Christian western civilization and its 'civilization'.

So much so, then, for the local one-eyed 'house slave' here in my native island of Trinidad who insists that the world is ending.

When a ship is sinking and you cannot prevent it from sinking, you have to get off that ship, and urge others to do the same.

Prophet Muhammad prophesied many more signs of the Last Day other than public 'donkey sex'. Most of which have already occurred.

MINOR SIGNS

Prophet Muhammad (peace and blessings of Allah Most High be upon him) prophesied of the Last Age that:

- "People would follow a way of life other than mine, and give guidance other than mine"... "I fear for my people."
- "Women would dress like men", and we already see them today with trousers, jacket and, perhaps, a tie.
- "Men would dress like women", and already this sign also has come to pass. Almost no one can tell the difference between a man and a woman.

- Homosexuality (and lesbianism) would become commonplace, and that is now happening before our v
- Children born outside of marriage would become commonplace, in fact marriage itself now seems destr
- Fornication and adultery would become commonplace, that, also, appears to have already been fulfill
- Disproportion in balance of men and women to such an extent that “one man would have to maintain (r
- Universal consumption of alcoholic beverages, this “mother of all evils” has already become a horrend
- “Religious knowledge would disappear”, since the rightly-guided scholars of Islam are demonized, mar
- “Time would move swiftly—a year passing like a month—a month like a week—a week like a day” etc.
- Such prevalence of random killing, murder and violence that “a killer would not know why he is killing a
- “Nothing would remain of Islam but the name, and nothing would remain of the Qur’an but the traces (c
- Universal consumption of Riba (i.e, money lent on interest, and transactions which ‘rip off’ people throu
- “A slave woman would give birth to her mistress”, made possible through a combination of Riba and th

And then there are minor signs which have not as yet occurred such as:

- “The Last Hour would not come until there issues from the land of the Hejaz (which is in Saudi Arabia)

MAJOR SIGNS

Hudhayfah ibn Usayd Ghifari, the companion of the Prophet, said,

“Allah’s Messenger came to us all of a sudden as we were (busy in a discussion). He asked: What are you doing? (Sahih Muslim)

Here, then, are the ten major Signs of the Last Day as prophesied by Prophet Muhammad (peace and blessings be upon him)

- Dajjal — the false Messiah or Anti-Christ,
- Gog and Magog,
- Smoke,
- The beast of the earth or land (most likely the holy land),
- The sun would rise from the west,
- Three sinkings of the earth
 - one in the east
 - One in the west
 - and One in Arabia,
- A fire would come out of Yemen and would drive people to their place of assembly (for judgement),
- The son of Mary would descend. Although these signs were not given by the blessed Prophet (peace and blessings be upon him)

Allah Most High be upon him) in their chronological order of occurrence I have made an effort to put them in the following order:

“And he (i.e., Jesus) shall be a Sign (for the coming of) the Hour (of Judgment): therefore have no doubt of it.” (Qur’an, Zukhruf, 43:61)

It follows that his return must come chronologically at the end of the list. We also know that the ‘fire’ from the south will be a sign of the Hour.

DAJJAL

I have argued in my book, ‘Jerusalem in the Qur’an – An Islamic View of the Destiny of Jerusalem’, that the appearance of Dajjal is a sign of the Hour.

By the end of that third stage, Dajjal the false Messiah or Antichrist would have been born into the world.

An entire chapter of the book is devoted to explaining the subject of Dajjal. I am now writing a quartet of poems about him.

GOG AND MAGOG

I have also argued in my book that Gog and Magog were released into the world in the lifetime of Proph

“But there is a ban on a town which We have destroyed: that they (the people of the town) shall not return.”
(Qur'an, al-Anbiyah, 21:95-96)

I identified that 'town' to be Jerusalem. And since the Jews have already returned to Jerusalem to reclaim

Another entire chapter of 'Jerusalem in the Qur'an' is devoted to explaining the subject of Gog and Magog.

DUKHAN (SMOKE)

This appears to be totality of environmental pollution (not just smog and haze) that is already wreaking h

D'ABBATUL ARD (THE BEAST OF THE LAND OR EARTH)

I have argued in 'Jerusalem in the Qur'an' that the beast of the earth' is, in fact, the imposter State of Isr

THE SUN WOULD RISE FROM THE WEST

Those who interpret this sign literally assume that the order of nature would be reversed despite the Qur

*“So set thou thy face steadily and truly to the faith: (establish) Allah’s handiwork according to the pattern
(Qur’an, al-Rum, 30:30)*

They also do so despite the specific declaration of Prophet Abraham (peace and blessings of Allah Most

Hast thou not turned thy vision to one who disputed with Abraham about his Lord, because Allah had granted him wealth and children?

“My Lord is He Who giveth life and death.” He said: “I give life and death.” Said Abraham: “But it is Allah (Qur’an, al-Baqarah, 2:258)

And so they wait for that western sunrise as an event that would literally occur, while ignoring the basic meaning of the prophecy.

But this sign has provoked numerous other non-literal interpretations, all of which agree that it has already occurred.

THREE SINKINGS OF THE EARTH

Many terrible earthquakes have already occurred in history. They have no relevance to our subject. We are looking for a specific event.

THE EARTHQUAKE IN THE EAST

I believe that the recent massive earthquake and resultant Tsunami in South East Asia which has claimed over 200,000 lives is the event.

Firstly, the prophecy of the blessed Prophet is that a 'khasf' would occur in the East, i.e., the earth sinks in the East.

Secondly, I am impressed by the location of the event - it occurred in that East which is clearly east of Mecca.

Thirdly, and most important of all, I would like to direct attention to the time that it occurred. This was after the turn of the millennium.

This momentous Sign in the East that occurred at the end of December 2004 appears, therefore, to be a fulfillment of the prophecy.

It appears to be the first of the three major earthquakes, or 'sinkings of the earth', as prophesied by Prophet Muhammad.

THE SECOND EARTHQUAKE IN THE WEST

When a second massive earthquake (with a sinking down, caving in, or displacement of the earth) event occurs in the West.

THE THIRD EARTHQUAKE IN ARABIA

Narrated Aisha: Allah's Apostle said, "An army would invade the Ka'aba and when the invaders reach Al-Masjid an-Nabawi, the Ka'aba will be destroyed." (Sahih al-Bukhari)

Narrated Umm Salamah, Ummul Mu'minin: The Prophet said: "Disagreement will occur at the death of a" (Sunan Abu Daud)

It is quite clear from the above prophecy of Prophet Muhammad (peace and blessings of Allah Most High)

THE RETURN OF THE TRUE MESSIAH, JESUS, THE SON OF MARY

Prophet Muhammad (peace and blessings of Allah Most High be upon him) has spoken extensively and

ONE FINAL WORD

The destiny of Jerusalem is such as to give to Muslims the greatest confidence and hope that Truth will
